Replay XD1080

If your idea of fun takes you places, your regular camera wouldn't last a minute. The Replay XD1080 is certainly up for the job. Currently the world's smallest and lightest self-contained video camera, this easy-to-use system can be strapped or mounted on everything from helmets to hang gliders. US\$299.99 (\$307); www.replayxd.com.

Olympus Pen Lite E-PL3

The market for exchangeable lens compact cameras continues to heat up with the arrival of the Pen Lite E-PL3. This sleeker version of the flagship E-P3 features a 12.3-megapixel sensor, lightning-fast auto-focus, and HD video recording. The tilting three-inch widescreen LCD allows for clear framing and recording. From \$799; www.olympus.com.au.

Tamron 18-270mm lens

Recently awarded the European Imaging and Sound Association's award for zoom lens of the year, the Tamron 18-270mm lens is ideal for enthusiasts and pro-photographers. It's one of the world's smallest and lightest 15x zoom lenses in its class, with a motor system that provides near-silent auto-focus. \$849; 1300 882 517.

SNAP HAPPY

If a picture tells a thousand words, imagine the stories you could tell with these latest innovations in still and video cameras. No matter what your adventure, there are gizmos of all shapes and sizes, designed to capture every unforgettable moment.

Lowepr Photo Sport 200 AW backpack

Take your photography off the beaten track using this all-weather backpack. The Photo Sport 200 AW will keep all your camera gear safe, with a special side-access camera chamber which helps reduce bumps during transit while making it easy to quickly remove the camera as needed. \$219; 1300 882 517.

Otek DVX SF9 3DVIEW

Tired of the lack of 3D programming on TV? Then why not shoot your own with this 3D HD camcorder. Capture family events on overseas holidays in full 1080p resolution, then watch them back on the camcorder's 3D display. You can also hook the camera up to a 3D television to enjoy your footage at home. \$349; www.otekaustralia.com.au.

Velbon VS-443D tripod

The VS-443D trumps its competitors with its 180-degree tilt arm and 360-degree horizontal pan, with a geared slide elevator, making it one of the most flexible tripods on the market. For quick repositioning, a simple twist of the multi-angle arm loosens both the tilt and rotation in one go. Easy. \$299; 1300 882 517.
